- Final content is displayed portrait on screen.

Rail

✔ Creative Consultancy & Production

Our objective is to help you to maximise this creative opportunity. For guidance on concept development and execution or to arrange a meeting to discuss best practice please contact us. Global has a creative service that specialises in Digital Out-of-Home production and can create digital content from concept to final display ready files using your existing traditional advertising assets.

✔ Delivery Deadlines

Broadcast ready files must be received 1 week prior to standard in-charge date. Concept approval must be received 2 weeks prior to standard in-charge date. For dynamic campaigns a min of 3 week's notice period prior to the incharge date is required and we must receive test ready copy no less than 2 weeks before start of campaign so as to facilitate backend testing.

✔ Contact Details

Completed digital files should be sent to Robert Tracey or Amy Connick

For further information on Global digital production specifications contact:

Robert Tracey

rob.tracey@global.com

Amy Connick

amy.connick@global.com

✔ File Submission

Once completed, the creative file must be rotated 90 degrees anti-clockwise before being submitted as shown above
