

Northern Ireland Bus advertising planning guide.

Recommended weights by format for bus advertising in Northern Ireland.

T-Sides

Provincewide

Bus advertising is available everywhere and in every postcode across Northern Ireland.

Supersides

Public Service

By its very nature, Bus is a public service. Bus advertising takes your message into the public domain on a trusted medium.

Rears

Broadcast

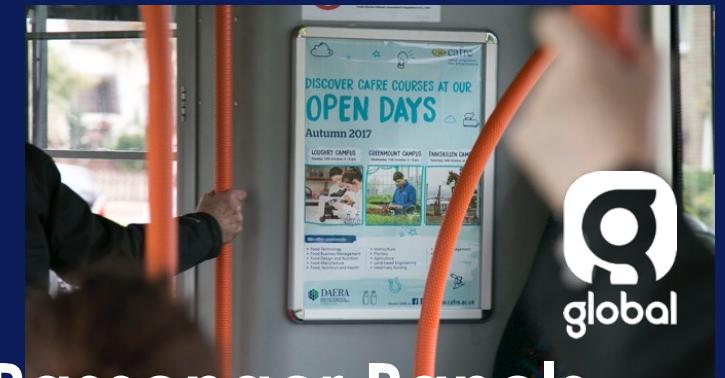

Bus is a truly broadcast medium. In the age of media fragmentation, Bus advertising excludes no one.

Movement

Buses move, and this movement gets noticed. This also converts to quicker campaign coverage build by taking your message to different people in different locations.

Highly Visual

Bus is a creative medium. Visuals are one of the strongest stimuli to grab attention and encourage action.

Passenger Panels

T-Sides

One of the most in demand bus formats due to its ability to build high coverage quickly. This combines with a T-Side's powerful stature and a drop section that is the same size as a 6 sheet and lends itself to stunning visuals sure to attract attention.

Passenger Panels

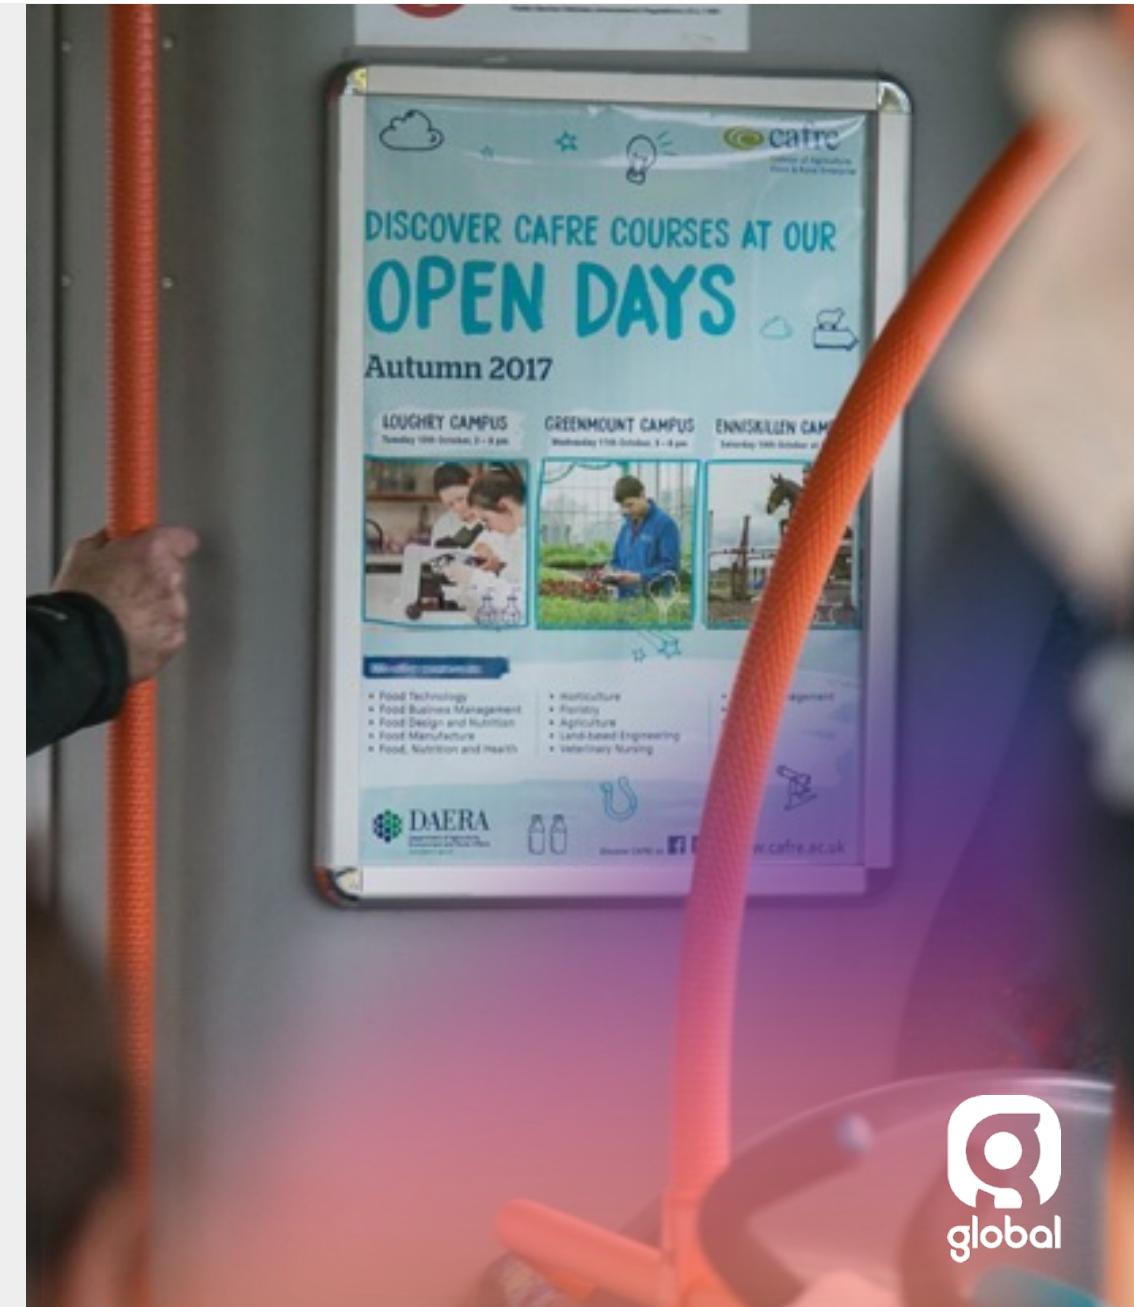

With a socially engaged and relaxed audience at your disposal, passenger panels are the perfect platform to persuade audiences who have the time and a means to act. Passenger panels are available in two different sizes and can be used to achieve provincewide coverage or target a specific local area.
