GLOBAL WILL REFUSE TO ACCEPT ANY DELIVERIES THAT DO NOT CONFORM TO THESE SPECIFICATIONS

DELIVERY DEADLINE AND POSTING CYCLE

Posters must be produced to the exact specification set out below and delivered 14 calendar days before the 'In-charge' date of the campaign. Campaigns are then posted on a 7 calendar day cycle (excluding Bank Holidays) which commences before the 'In-charge' date.

Please note: Global is not liable for compensation claims against any campaign where posters have been received after the delivery deadline. All posters received after the delivery deadline will not be posted until the next available posting cycle for this site type.

COPY APPROVAL

Before posting can commence, every National Rail campaign must be submitted to Global for copy approval. This is to ensure that the Codes of Practice outlined by our franchise partner are being upheld. See *Copy Approval* on page 4.

DISPLAY AREA

For all site types that are fixed into back-lit boxes, the specification will give the Overall Size and the Display Area. Please keep all important text and images within the Display Area but feel free to bleed the background colours/images up to the Overall Size. Please be aware that if an artwork has text that has been created to the Display Area it will butt-up to the frame. If this is not the desired effect then please move the text even further inside the Display Area.

MATERIALS

Posters will not be accepted if printed on any photographic or vinyl materials. Global will also refuse to accept any posters that have been varnished, laminated or encapsulated as none of these processes conform to the required fire regulations.

Supply on 150gsm cartridge paper, coated on both sides.

PRINTING

All posters must be printed as a single sheet of paper.

DIGITAL PRINTING

In the interest of producing a good quality display, please choose a digital printing method that will give a good depth of colour, as some prints can look pale and washed-out when back-lit. Please contact the Global Production department on 020 7482 3000 for further advice.

GLOBAL POSTER DESPATCH FORM

For each campaign, the Global Poster Despatch Form will provide information with regard to the number of sites at each station along with all the relevant delivery addresses. If you require a copy, please contact Global Customer Service on 020 7482 3000 and quote the campaign reference.

SPARE POSTERS

Global will always require additional 'spare' posters to refurbish campaigns.

Special note for illuminated and acrylic units: The Global Poster Despatch Form does not include spares. For every campaign produced, please add 10% spares.

Special note for scrolling units: To insure a good-quality display on all campaigns of up to 4 weeks or more, Global advises that the campaign should be completely reposted after every 4 weeks. Therefore the appropriate amount of posters should be supplied with the requisite 10% spares. If an advertiser chooses to ignore this advice then Global cannot be held responsible for any poor-quality displays that may occur as a result.

For a campaign of fewer than 20 sites, contact Global Customer Service on 020 7482 3000 for the quantity of posters to be produced.

TRIMMING

Posters must be trimmed to the exact Overall Size.

Special note for scrolling units: It is critical that the posters are trimmed square as any variation may result in the posters tearing during installation. Global will refuse to accept any posters that are trimmed incorrectly.

POSTER COLLATION AND PACKING

Please deliver the posters rolled in cardboard tubes with plastic lids on each end. The cardboard tubes must be 'padded-out' at each end with bubble-wrap to protect the poster edges. No more than 10 posters per tube. A label indicating the advertisement and quantity of posters must be attached to both of the plastic lids. Posters delivered in this way will be accepted on pallets.

IDENTIFICATION

Please indicate clearly on all packages that the posters are for Global.

Every consignment of posters delivered must have a Delivery Note attached, indicating the following:
