DELIVERY DEADLINE AND POSTING CYCLE

Posters must be produced to the exact specification set out below and delivered 14 calendar days before the 'In-charge' date of the campaign. Campaigns are then posted on a 6 calendar day cycle (excluding Bank Holidays) which commences before the 'In-charge' date.

Please note: Global is not liable for compensation claims against any campaign where posters have been received after the delivery deadline. All posters received after the delivery deadline will not be posted until the next available posting cycle for this site type.

COPY APPROVAL

Before posting can commence, every National Rail campaign must be submitted to Global for copy approval. This is to ensure that the Codes of Practice outlined by our franchise partners are being upheld. See *Copy Approval on page 4*.

BARCODING

Every campaign must have the appropriate barcode printed on all posters. See *Barcoding of National Rail Campaigns on pages 6 and 7*.

DISPLAY AREA

For all site types that are fixed into frames, the specification will give the Overall Size and the Display Area. Please keep all important text and images within the Display Area but feel free to bleed the background colours/images up to the Overall Size. Please be aware that if an artwork has text that has been created to the Display Area it will butt-up to the frame. If this is not the desired effect then please move the text even further inside the Display Area.
